1. This is Theodore Cottingham, August 24, 2008 and I've just been praying a little while and decided to cut on my recorder.

2. I am I am. I come now I call. I confuse not the ancient's teaching with me my teaching now that comes forth clear and clean of all sorrow, sorrow having been eradicated now. I love you.

3. I give you green clean, not; I give you green and clean, many things now that are green, putting in your wallet.

4. Now many come confusing not the word of I am, the words of I am, but knowing I am compelling, confusing not the issues anymore -- the issue is me of me.

5. I issue my edicts and commands not a man of, but Christ being one real foremost and known making all Christ who will be the Christ will be one that one I am is, totally healed upon this land of no-sorrow making it so - Israel I am and understanding the word of my mouth creating it, not separately from me again. I am not separate from my words. I am not separate from my word. I and my word are one.

6. The authority of me one known now, I walk in my authority, teach it, live it, and I am it, before all men now, a known one coming into the creationville properly, properly property'd and not without Israel, I am made whole again. Whole healed now, I take my liberties with creation not, I take my liberties captive not, but I set my liberties free and me and liberty I am. I am liberty and I speak liberty to the captives; my words free and freeing others now -- shall be I am the freed one freeing many.

7. I now know my authority, the word of I am I am, not separate from my words again. Words again represent me, not; I become them -- I am them, for I have become them not separate from my authority, I speak now.

8. The authority that I speak with now I am given of my father that I am who I become one with speaking the words of I am. Authority known and blessed now I am in the end-ville not of man, but I am my father-ville who I am is me Israel known real and true now one with I am my word. I am my word and I am my words not separate from my words.

9. I now walk in authority. I do now. Made whole Israel is, being it; not a framed of this world anymore, but I am whole healed and well. Thank you. Amen.

10. I go in peace now. I create it, I am it - it is me - I am, not separate any more from the peace that I live in, I create. It and more I create by the word of my mouth I am made whole, generative living by the most high generating me I do, energy of life one whole and letting no one know, not; letting all know, letting ALL KNOW who I am now through the words of my mouth I am creating Israel establishing it in my authority, not a man of doing this, but God and my word are one for I am my word not separate from God again anymore ever again by any man's lengthening me or gaps in my DNA coming about by their word that they created with their monstrosity evil mouth of notworld of me; but creating it I do properly now with the word of my mouth healed whole authoritative me authoritatively on the earth coming onto authority that I walk in now, created in "earth" not, but begun in heaven where I am -- is real I real am, really feel it, reveal it I am I do now -- I am one with my word evermore.

11. I know what I've said. I come. I call. I conquer unbelief doubt fear separation from man and evil nonexistent now, because evil does not exist, man does not appear as is, but now comes into being.

12. I am all known and all my authority I have given my son that reveals the father my father your father one father I am is -- now authority known will be, and understand the centurion who spoke and my answer, my reply now known in this more fully this recording that I speak now in words not few, to millions, not few coming now, many millions see me now, my face my word is.
13. I love you all. Amen.

14. Go in peace to **ME SCHOOL** and I love you more for it always and evermore. Regarding no one as inferior or superior I love you all - be equal me -- equal me does equal you all into the authority of one most holy, high and lifted up now shall be upon the earth. From the earth or me? Or into me coming now for all things made known I am revealing all through my servant David who I am who Jesse is was and shall be now principally upon the earth, principling my words not with the ideas of man, but all the ideas of man being corrected to be I am-ville in my home again, most Israel is, being most Israel, Israel high and lifted up - my name is across my forehead - one! - 7!

15. I love you all. **Understand what I've said. Study these words** and love me more. Loving me more, **share** me more with others, and **my words throughout the day, nights** -- swollen not with time anymore making you what man-ville calls you - man woman and child, un-'born again.

16. But my unborn shall be me-born now. I shall be in the earth walking the earth a man of woman of and children of me now and unborn cry out to be saved, from fornication not, but fornicating with evil not again, my who spare me not, but becoming me by becoming me, become me I am and becoming I am the most loveliest of all. The horror no more, I am "Egypt" not, I am Israel, a made perfect one in love being all to you now.
